

## Hilton Harriers – Growing Football for Girls

Girl's football is alive and kicking in Hilton through the merger of Hilton Girls 'Junior Section' and Hilton Harriers Girls & Ladies. This exciting new direction for girl's football in Hilton will see over 70 girls from our local community playing competitive football under the Hilton Harriers badge in the 2018/2019 season.

Hilton Girls FC Junior Section has grown from small beginnings over the last 3 years to have 3 teams all playing competitive football in the Derby Girls & Ladies League. These 3 teams have now moved across to Hilton Harriers FC to join their existing girls football program to create a bigger and better platform for local girls.

The new expanded Hilton Harriers Girls section will have the following teams playing competitive football in the 2018/2019 season:

Team	School Year 2018/2019
Hilton Harriers Wildcats U12s	School years to/including - year 7
Hilton Harriers Girls U13	School years - 7 & 8
Hilton Harriers Girls U14	School years - 8 & 9
Hilton Harriers Girls U15	School years - 9 & 10
Hilton Harriers Ladies	Open age Ladies football – 16yrs +

Our core aim for girl's football is simple – we offer an inclusive and fun environment for girls who want to play, regardless of age or ability. We play competitively and take a serious approach to player development, but we base this around fun & inclusivity.

Our team's train locally and play their games in either Hilton or Derby.

We are actively looking for players at U15s & Open Age/Ladies for this coming season – but we would welcome girls joining in at all age groups. We are also looking for sponsorship support for the coming season and have various opportunities for local businesses to support us.
