Dear Sir/Madam

Please accept this letter as an invitation to advertise your company at our home ground at the Mease Pavilion in Hilton Derbyshire.

Hilton Harriers is a community based football club established in 1992 and we have grown from one team to this season fielding 32 teams. The teams range from the age 5 to right through to a Veterans with over 400 boys and girls and men involved in playing in these categories. The club is one of the largest clubs in the East Midlands and we have won numerous awards including Runners Up in the FA National Community Club 2013, FA Charter Standard Community club for the East Midlands, Derbyshire Sports Club of the year and 4 times winner of South Derbyshire Sports Club of the Year

The club is solely run by volunteers who give their time to make grassroots football accessible and enjoyable for everyone.

We play at Step 7 of the football pyramid which means we need a pitch with permanent barriers and dug-outs, 3 match officials and provide food after the game for everyone involved. This means our costs for every home game are more than £120 so sponsorship and fundraising are essential.

Your sponsorship will help us run our two Senior Hilton Harriers Football teams who play on Saturday afternoons. The First Team team play in the Central Midlands Football League South and the Reserve Team play in the Staffordshire County Senior League 2nd Division.

We would be very grateful if you would consider a contribution of £200 to purchase one advertising board to be placed on the surrounds of our home pitch. The cost of this will cover the design and printing onto a Perspex board which will be attached on to plywood and then positioned on to our barriers at our home ground in Hilton. Thereafter, we would ask for a further £100 to continue advertising for another 12 months. We have been fortunate to obtain 17 new local companies who currently advertise with us now.

Whilst your sponsorship will go to the senior men's team, the pitch is used by several age groups from U14 through to veterans so your advertising will be seen by spectators from several local teams each week, more than 50 matches each season. This is a very low cost way to promote your business to potential customers from Derbyshire, Staffordshire and Nottinghamshire area.

We look forward to hearing from you.

Kind regards and thanks,

Sarah Pickersgill
